DEBT DETOX — SYNTHETIC SAMPLE

APEX FINANCE SAMPLE PERSONAL LOAN AGREEMENT

Fictional document created only for testing the Debt Detox prototype.

1. LOAN SUMMARY

Field	Value
Lender	Apex Finance (Fictional)
Loan Type	Personal Loan
Sanctioned Loan Amount	■2,00,000
Disbursed Amount	■1,92,280
Interest Rate	18% per annum
Interest Method	Reducing balance
Tenure	24 months
Illustrative EMI	■9,984

2. PROCESSING AND UPFRONT CHARGES

A processing fee of 2% of the sanctioned loan amount will be charged at disbursement. The applicable tax on the processing fee will be added as required by law.

An insurance premium of ■3,500 is included in the disbursement deductions for this sample agreement. Review the separate insurance terms to determine whether the insurance is mandatory or optional.

A documentation and administrative charge of ■750 is payable at disbursement.

For this fictional sample, GST of 18% is applicable to the processing fee and documentation/administrative charge.

3. PREPAYMENT AND FORECLOSURE

The borrower may request early closure of the loan subject to the conditions described below.

A foreclosure charge of 4% of the outstanding principal shall apply when the loan is closed before completion of 12 months from the date of first disbursement.

After completion of 12 months, the foreclosure charge will be 2% of the outstanding principal.

Applicable taxes on foreclosure-related charges may be collected where required.

4. LATE PAYMENT AND BOUNCE CHARGES

A late payment fee of ■500 may be charged for each EMI that remains unpaid after the applicable due date.

A payment bounce charge of ■450 may apply for each failed electronic debit or cheque payment.

Additional default-related charges may apply where specifically permitted under the agreement and applicable law.

5. IMPORTANT DEFINITIONS

Outstanding Principal: The unpaid portion of the principal after eligible principal repayments.

Foreclosure: Full closure of the loan before the scheduled maturity date.

Processing Fee: A fee charged for processing and servicing the loan application.

6. REPAYMENT TERMS

The borrower shall make 24 monthly installments. The illustrative EMI shown in this sample is ■9,984. The actual repayment schedule should be generated from the lender's official amortization schedule.

The total scheduled repayment is the sum of installments payable under the final repayment schedule. Conditional penalties such as late fees and foreclosure charges are not included unless they are incurred.

7. TAXES AND OTHER CHARGES

Taxes may apply to fees and services according to applicable tax rules. This fictional document explicitly states an 18% GST rate for testing purposes only.

Stamp duty, statutory charges, or other government charges, if applicable, may be payable separately.

8. BORROWER ACKNOWLEDGEMENT

The borrower acknowledges that additional charges may arise depending on actions such as early closure, late payment, or failed payment attempts.

This synthetic document is designed to test document extraction, OCR, charge detection, page-level evidence, financial calculations, and plain-language explanation in the Debt Detox prototype.
